

Barrier Breakers 2026

Financial Health Innovation Challenge

\$20,000+ in Prizes • March 20, 2026 • Kent State University

High schoolers in Northeast Ohio: Build solutions to real financial barriers and compete for cash prizes, scholarships, and school grants.

Transportation

Housing

Healthcare

Financial Literacy

Community

How It Works

- **Apply as a Team** (1-3 students) by February 27, 2026
- **Choose a Track** and research the financial barrier
- **Build a Solution** — app, tool, policy, or resource
- **Present at Kent State** on March 20, 2026
- Use AI tools like Gemini or Claude to prototype

Why Bring Your Students

- Real-world problem solving experience
- Exposure to financial literacy concepts
- Kent State campus visit opportunity
- Networking with business professionals
- Portfolio-building project for college apps
