

Barrier Breakers 2026

TEACHER & ADMINISTRATOR GUIDE

Join us for the Barrier Breakers Financial Health Innovation Challenge! This event is designed to empower high school students to solve real-world financial problems while competing for over \$20,000 in cash prizes and scholarships.

Everyone is Welcome!

We invite entire classrooms, family members, and school administrators to attend. This is more than just a competition; it's a day of learning and innovation. Make it a school field trip!
