BARRIER BREAKERS

High School Entrepreneurship Competition

📅 2027 · Date coming soon 📍 Northeast Ohio 💰 Cash prizes

THE CHALLENGE

High school students are invited to build ventures that break the barriers to financial health. Compete in teams or solo, like founders pitching for funding.

Whether it's an app, a product, a service, or a community program—if it breaks a barrier and could actually run, we want to see it.

Bring something to show and a 60-second pitch. Three judges visit every team. Five finalists present to the whole room, so have five minutes ready too.

No coding experience required. Use AI tools, research, and creativity to build your vision.

Pick a Barrier

- **Transport**
- **Housing**
- **Health**
- **Literacy**
- **Your own**

Teachers: Make it a field trip! Bring your class for a day of pitching, campus tours, and inspiration.
